Tell me about can't get a refund on apps and games

Tell me about investigate a billing charge from Microsoft.

You can only get a refund on Xbox One games and Microsoft Store apps if:

- You've used the game for less than a total of two hours across all your devices.
- Your privacy settings are set to **Full**. If they're set to **Basic**, we won't be able to calculate your game usage, which could result in your refund being denied. Select **Start** > **Settings** > **Privacy** > **Diagnostics & feedback**.
- The game was released more than 24 hours ago.
- The game or app was not part of a bundle.
- You're signed into with the correct account.
