View or download your invoice in the Microsoft 365 admin center

> **Note**
>
> This article only applies to Microsoft business subscriptions. If you have an app, game, or nonbusiness subscription, see View your Microsoft Store order history .

You can view or download your invoice or billing statement for your Microsoft business subscription in the Microsoft 365 admin center. If you need help with interpreting the charges that you see on your invoice, find out what type of billing account you have. Then, for a detailed walkthrough of the billing statement, see either Understand your invoice for your Microsoft MCA billing account or Understand your invoice for your Microsoft MOSA billing account.

View or download your invoice

1. Go to the Microsoft 365 admin center .

   - If you're using the **Simplified view**, select **Products**, then select **View invoices**.
   - If you're using the **Dashboard view**, go to the **Billing** > Bills & payments page.

2. If you have more than one billing account, select **Change billing account** to view invoices associated with each billing account.

3. Select an invoice from the list to view the details online. If you don't see any invoices, change the date range or select a different billing account from the **Billing account view** selector. The invoice details page provides information that includes the following items:

   - The amount due and the date the invoice was paid.
   - Invoice details like the invoice date, billing period, billing profile, and billing account.
   - A billing summary that includes a list of all charges, credits, taxes, and total amount.
   - A list of transactions made for the selected billing account.

4. To download the .PDF version of your invoice, select **Download**, then select **Download invoice**.
